COMPREHENSIVE NEEDS ASSESSMENT (TIA12)

The Medina Independent School District conducted comprehensive needs assessments based on Academic Excellence Indicator System (AEIS) data such as Texas Assessment of Academic Skills (TAKS) performance, attendance rates, dropout rates, and SAT/ACT (college entrance exam) data. In addition, for general education and for special programs, the data was disaggregated for all population groups, including male and female. Individual student weaknesses were determined by disaggregating TAKS data by subject area and the domains and skills within each area.

The needs assessment also consisted of identifying needs for all subject areas, grade levels, and each special program considering the following:

- Curriculum
- Staff Development
- Instruction
- School Organization
- Staffing
- Budgeting

Goal #1

All student groups taking the TAKS reading, writing, and math tests will meet or exceed the state standard for passing, each campus will achieve a campus rating of Exemplary and the district rating will reach Exemplary in 2010.
